ADDITIONAL SPONSORSHIP OPTIONS

Seat Drop | \$2,000 AUD

This provides your organisation an opportunity to display promotional material (up to 1 A4 page) on each delegate seat prior to the commencement of the daily session. Limited opportunities are available and will be issued on a first come, first served basis.

Welcome Bag Insert | \$1,000 AUD

Reach all delegates by placing an insert into their welcome bag. Insert examples include water bottles, USB's, brochures, flyers, stress balls etc. Subject to advance approval.

WE ARE DELIGHTED TO INVITE YOU TO

support the 5th DIPG Symposium in 2019, held for the first time outside the United States, in Sydney Australia. The DIPG Symposium is the world's foremost and largest international medical research conference, focusing on Diffuse Intrinsic Pontine Glioma (DIPG), a deadly childhood brain tumour. In Australia, more children die from brain cancer than any other disease.

By supporting the DIPG Symposium, your organisation will be helping to push the frontiers of DIPG research, speeding up the review and introduction of new treatment options, which we hope will extend survival. You will gain extensive exposure in the brain cancer and research communities both globally and within Australia. By supporting this initiative, you will be showcasing your commitment to improve the prognosis of children with DIPG.

We look forward to discussing your participation.

Australian Hosts:

Dr. Nick Gottardo,
The Cure Starts Now
International Medical
Advisory Council

Ren Pedersen,
Founder: The Cure
Starts Now, Australia

Barrie Littlefield,
Head of Engagement,
Cure Brain Cancer
Foundation
